New Archives Fall

16 June 1972

MEMORANDUM FOR: Director of Security

SUBJECT : Request for Security Survey of the CIA Archives  
and Records Center

REFERENCE : Security Survey Report Dated 12 May 1966, CIA  
Archives and Records Center

1. Management responsibility for the CIA Archives and Records Center was transferred to the Executive Director 26 May 1972 and in turn delegated to the undersigned. The referenced survey made several recommendations to improve the sophistication of the protective measures at the A&RC. Some of these were implemented, others were not.

2. In view of the only partial compliance with the previous survey and the six years elapsed time since that survey, it is requested that a new survey be made of the CIA Archives and Records Center [redacted]
